## About us

The priority target of Aids Hilfe Wien is the support and improvement of the situation of people living with HIV/AIDS in all kind of areas and the prevention of new infections.

In order to do so, Aids Hilfe Wien provides anonymous and free HIV antibody testing, professional counselling and information, a daycare centre for people living with HIV/AIDS including varied activities and manifold prevention and education programs.

## Testing service

We provide anonymous HIV-testing (laboratory antibody test, rapid test, PCR) as well as screening for syphilis and hepatitis B and C. Our colleagues will counsel you individually, which test is suitable for you and your personal situation.

Please be aware, that all tests are only reliable after a certain time following a possible risk situation (so-called window period) and we can't provide all of them free of charge:

- The laboratory HIV antibody test is reliable after 6 weeks and free of charge
- The HIV rapid test is reliable after 12 weeks and there is a fee of 28,-€
- The HIV PCR test can be performed after 2 weeks and there is a fee of 60,-€

Testing times at Aids Hilfe Wien are:

- Monday and Wednesday from 4:00 – 8:00 p.m.
- Thursday from 9:00 a.m. – 1:00 p.m.
- Friday from 2:00 – 6:00 p.m.

You will receive a personal pre- and post-test counselling, where you have the possibility to talk about all your questions and needs.
